

Victoria Ben-Chivar

Current role & project: UX/UI Lead Designer at Apoteket AB
(Consultant). Based in Västerås, Sweden

Summary

I like to think of myself as a generalist due to my wide range of experience and knowledge in multiple areas from Linguistics to Technical Writing, Sales to Branding and Art Direction to User Experience. I have over 10 years of experience working with Visual Design and over 5 years in the role of a User Experience Designer (UX). I work from a standpoint where business thinking is natural and where I contribute to improving financial performance and digital development through the lenses of users aka customers/personnel etc. As a person I am goal-oriented, creative and a problem solver. Have a masters degree in Design and Applied Arts, speak 3 languages: English - native, Russian - native, Swedish - fluent. **Specialities:** creativity, problem solving, managing, multi-tasking, adaptive and most of all curiosity.

UX Process: Double Diamond with a touch of Empathy and Validation

Main Tools: Sketch, Adobe XD, Abstract, Zeplin, Invision, Hotjar and other tracking tools, Adobe Illustrator, Indesign and Photoshop.

Other skills: HTML, CSS, Javascript, Premiere, Solidworks, 3D max
